CHAIRMAN'S COLUMN

I'd like to welcome everyone to HBF Park for today's Hyundai A-League 2019/20 Season-opener, including the players, officials and supporters of Brisbane Roar.

Roar are, of course, now coached by our former striker and Liverpool legend Robbie Fowler and it will be great to see him back here in Perth.

As a club, we enjoyed fantastic success last season in winning the Premiers' Plate and are determined to build upon that this year both domestically and in the Asian Champions League.

Our fantastic members and fans will have a key role to play once again as the '12th man', so let's all get right behind Popa and the lads today and help make sure we get 2019/20 off to a flying start.

GO GLORY!

HEAD COACH:
TONY POPOVIC

HEAD COACH:
ROBBIE FOWLER

MEET THE OPPOSITION

It's been an off-season of seismic change for Brisbane Roar with Robbie Fowler arriving as Head Coach and more than a dozen new players also being brought on board.

Among the more notable new recruits are prolific ex-Central Coast Mariners and Newcastle Jets striker Roy O'Donovan, midfielder George Mells who returns to Australia after a spell in Holland with Fortuna Sittard and former Glory defender Scott Neville.

Roar endured a difficult campaign last year, eventually finishing ninth and losing all three of their clashes with Glory.

The Queenslanders have also won on just once of their last nine visits to HBF Park, but O'Donovan has scored six times in ten appearances against Glory.
