

# GLORY DAYS

OFFICIAL MATCHDAY PROGRAMME

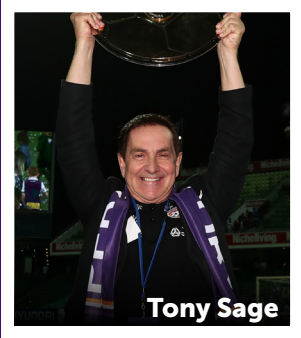

**A-LEAGUE 2020/21 SEASON, MATCH WEEK 10**  
TUESDAY 2 MARCH, 2021 | 6:20PM KO | HBF PARK  
**PERTH GLORY V CENTRAL COAST MARINERS**

# CHAIRMAN'S COLUMN

HEAD COACH:  
**RICHARD GARCIA**

**Tony Sage**

It's unusual to be back at HBF Park for the second time in four days, with the memories of that impressive win over Brisbane Roar still very fresh in my mind.

The three points were, of course, the most important thing, but the style in which we won made it all the sweeter and we have now set a new A-League record of 18 goals in our opening six games.

Richard Garcia vowed to play free-flowing, attacking football when he was appointed and he has certainly delivered on that as we are a joy to watch going forward.

Between the thrills on the pitch and the unrivalled atmosphere off it, nothing compares to a Glory A-League home game and I urge all our Members and fans to encourage friends and family who don't currently attend games to get on board.

WE NEED YOU!

We meet another high-flying side tonight in the Mariners, so let's raise the roof again!

HEAD COACH:  
**ALEN STAJCIC**

# MEET THE OPPOSITION

**Alen Stajcic**

Central Coast Mariners have been something of a surprise packet thus far this term, bouncing back impressively having claimed the wooden spoon for the past three seasons.

Head Coach Alen Stajcic has assembled a hard-working and attack-minded side which has secured six wins from nine games, scoring 16 goals along the way.

Leading from the front for the New South Welshmen has been exciting teenage striker Alou Kuol who has bagged six goals in nine appearances and he has been ably supported by the evergreen Matt Simon and skipper Oliver Bozanic.

Former Glory players Jack Clisby and Daniel De Silva have also featured prominently for the Mariners this year and Perth-born goalkeeper Mark Birighitti has been in superb form.

Glory have dominated this fixture in recent years, winning six of the last seven meetings and the men from Gosford tasted victory here in the West just once since November 2013.
